“ There were an elite few who were very close growing up from Elementary through High School. The times shared back then is what I hold close to my heart. Mindee has always been respectful to everyone who passed her. She is also an intelligent, courteous, and loving person who adores her family and close friend per the testimonies I'm reading. Prayers and Love for the family and friends. You will be missed. From one Nurse to another, until we meet again

“ Mindee was my boss but not in the usual way. She was funny, kind, and would assist me as an employee in any way she could. ALL people in supervisor positions could have learned volumes from Mindee. I loved loved loved talking with her. She was always glad to explain anything and her last words to me last Tuesday were "talk to you later sweet lady!" I never got to speak with her again. May God watch over her family as I know their hearts are in shreds. Rest in peace my dear.
